

Do not repeal ownership restrictions. I have worked for stations that have been bought out by larger corporations.

The results has always been loss of revenue for the local economy and worsening of the information flow.

I have seen the erosion of the citizen's access to media and information and unbiased reporting. Mega businesses do not help local industries, local citizenry or economy.

Monopoly and Duopoly must be prohibited.

Do not give in to special interests except for the interests of the citizens, the constitution and the preservation of free flowing information

Public Access provisions with CATV must be extended to all Telecom companies, with relevant provisions in each industry area.
